# DORO® SKULL PINS

DORO® Skull Pins are specifically designed for their respective intended use. Whether it is a conventional surgery or an intra-operative application in conjunction with CT, MR imaging and Fluoroscopy, a matching DORO® Skull Pin is always available.

Within the imaging segment, DORO LUCENT® Skull Pins take the lead, providing a highly visible enhancement compared to the excellent imaging results of the DORO® Titanium Skull Pins.

## PRECISELY MACHINED

Easy tip positioning during the pinning procedure

## UNIQUE WINGS

Ensure secure fixation in the pin holder

## GRIP DESIGN

allows easy placement & removal.
