

DORO® LUBRICANT HP500

A HIGH PERFORMANCE INSTRUMENT CARE OIL

Developed to match the needs of reprocessing staff members from all around the globe, this lubricant is the ideal product that helps keeping the hospital's valuable DORO® and other medical devices in good shape. It is autoclavable and can accurately be applied due to its needle-shaped tip and highly pressure-sensitive body.

Medical devices that are serviced regularly with this product will work more smoothly and benefit from a longer lifetime than non-lubricated products.

The DORO® Lubricant HP500 is available in single units or as a six-pack.
