# THREE HELPFUL WEB-TOOLS

## Product Finder

Use the Product Finder to find a fitting solution for your needs. You will find it on [blackforestmedical.com](http://blackforestmedical.com) under *Products*.

Share information on solutions you are interested in by passing on the URL of the product page to others.

Click [here](#) to access this free tool.

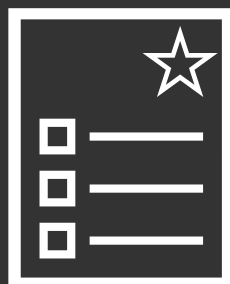

Show All →

## Wish List

The Wish List allows you to easily request more information on products you are interested in.

Click on the Wish List symbol in the right hand corner of the website or directly add products from the product page to your list.

Click [here](#) to access this free tool.

## DORO® Service Reminder

DORO® Service Reminder keeps track of annual inspections, reminding you when your product is due.

Register your DORO® products on our website under *Services* in three simple steps.

Click [here](#) to access this free tool.
